

TRANSPORT OVERVIEW

BIKE

Active commuters and health enthusiasts will appreciate **CITRO West End's** location. The apartment block is conveniently located adjacent to the Riverside Bike Way. The popular bike path provides a direct and scenic 3.6km route along the river bank directly to the CBD.

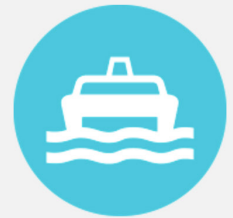

BUS

Brisbane city bus services collect and drop-off passengers along Montague Road. In fact, there's a stop on the corner of the street. Running every 10 minutes, buses can have commuters from **CITRO West End** to Southbank in a quarter of an hour, while the trip to the CBD is only 20 minutes away.

TRAIN

CITRO West End residents need not venture far to access the Queensland Rail train network. South Brisbane and South Bank Stations are the closest platforms where commuters can begin their journey to the city and beyond.

FERRY

The proposed new West End ferry terminal will be built at the end of the street, only metres from **CITRO West End**. Once open, the new terminal will provide access to Brisbane City Council's CityCat service. CityCats operate seven days a week with regular services every 15 minutes for most of the day, and express routes and more frequent services during peak times.
